Product Description

The Megaman Energy Saving 9 Watt GU10 CFL Reflector bulb in Cool White (614343) is a high quality and leading product in the field of energy saving lamps:

- Direct replacement for 40W 220V halogen reflectors
- Low power consumption and extremely long life, making the Megaman reflectors suitable for lengthy and continuous operation
- Saves up to 80% in Energy
- 15,000 hours and 600,000 switching cycles
- Produces less heat and UV
- Exact same diameter than the halogens = fits in most decorative downlights
